

Essential. Accessible. Print.

The SMART-32 Series ID Card Printer is an optimized, entry-level solution built for users who value simplicity, reliability, and affordability in their daily card printing.

Now featuring the signature SMART Series design language, it delivers a modern look and a user-friendly experience in a compact, durable form. Lightweight yet rugged, it's ideal for low- to mid-volume environments where consistent performance matters.

Focused on printing essentials, the SMART-32 provides fast, high-quality results without added complexity. It delivers dependable card issuance every time while maintaining an exceptional balance of performance and cost.

With its streamlined feature set and professional output, the SMART-32 makes high-quality ID card printing accessible to everyone.

Your essential printer, Ready to go.
